A better way to budget for car servicing.

The Marshall Peugeot Service Plan takes the stress out of car servicing. Just choose the plan you want, and we'll tailor it to suit so you can spread the cost of servicing by paying through monthly instalments - just like you'd pay for your gas, electricity or TV licence.

Easy inflation beating monthly payments.

We'll give you a quote based on the number of years you want the Service Plan to cover, your service schedule and average mileage. You can take out a Marshall Peugeot Service Plan at any time during the ownership of your car, and if you decide to sell it before the plan ends, you can transfer it to your new vehicle for a small charge.

Spread the cost of our Marshall Peugeot Service Plan with either monthly inflation beating payments - or if you like, pay for it with a lump sum by adding the cost to your finance agreement. By the way there's no chance of your servicing costs rising as they're frozen from the time you take out the Service Plan.

What Marshall Peugeot Service Plan Covers

The whole cost of standard servicing is covered by the plan, including parts and labour, with the exception of normal wear and tear parts such as tyres, brake pads and windscreen wipers.

Servicing by the experts

And of course with our Marshall Peugeot Service Plan you can relax knowing that your car will be maintained and serviced by qualified Peugeot-trained Technicians. As you know, a complete Peugeot approved service history will not only keep your Peugeot in peak condition, it will also add to its value when you come to change your car.
